Imaging is Money: Keeping Focused and Staying On Top

Come join us for the 2010 Annual Spring Meeting of the Central Chapter- Society of Nuclear Medicine. The meeting will be held March 26-28, 2010 at the Grand Wayne Convention Center and the Hilton Grand Wayne in Fort Wayne, Indiana. The Governance Day will be Thursday, March 25 featuring committee meeting and the meetings of the Technologist Section Executive Council and the Chapter's Board of Governors.

Nuclear medicine is rapidly evolving. Where are you in your knowledge of nuclear medicine and molecular imaging as compared to the specialty as it is desired to be? This difference is the knowledge gap. The "gap" is defined as the difference between the current state of knowledge, skills, competence, practice or patient outcomes and the ideal or desired state. It is the "is" versus the "ought". To help close this gap, the Central Chapter has compiled a fascinating educational program titled "Imaging is Money: Keeping Focused and Staying on Top". This meeting will focus on how the changes are affecting the practice of nuclear medicine. The program will address the challenges, complex issues and current research that the nuclear medicine professional encounters in their practice. Expert faculty will examine advance in emerging technology and radiopharmaceuticals.

The program will also include a one-day breakout session designed specifically for students. This first-time activity will include "The Battle of the Minds" a College Student Quiz Bowl Competition and a discussion on "Facing the Future" including jobs, resumes and interviews.

Fort Wayne has a lot to offer visitors. Join us for some top-notch education and enjoy Fort Wayne's hospitality.

Learning Objectives:

At the conclusion of this program attendees should be able to:

- Evaluate the new technologies in Nuclear Cardiology, PET-MRI, PEM, PET-CT and Nuclear Medicine.
- Explain the impact molecular imaging has on radiation oncology, medical oncology and research.
- Examine emerging radiopharmaceuticals and methods to survive with radiopharmaceutical shortages.
- Review concepts for the pharmaceutical products used in molecular imaging.
- Develop a comprehensive understanding for treatments utilizing molecular imaging.
- Develop advanced insights into the competitive market of molecular imaging and methods for keeping focused and staying on top.

Hotel Information:

Hilton Grand Wayne
1020 S. Calhoun St.
Ft. Wayne, IN 46802
Ph: 260/420-1100

Rate: \$104.00 Single/Double

Deadline Date: February 25, 2010

To ensure you receive the Chapter's discounted rate, please mention you will be attending the CCSNM 2010 Annual Spring Meeting.

CME: This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Society of Nuclear Medicine (SNM) and the Central Chapter, Society of Nuclear Medicine. The SNM is accredited by the ACCME to provide continuing medical education for physicians. The Society of Nuclear Medicine designates this educational activity for a minimum of 18 category I credits towards the AMA Physician's Recognition Award. Each physician should claim only those credit that he/she actually spent in the educational activity.

Voice: VOICE credit has been applied for through the Society of Nuclear Medicine Technologist Section for a minimum of 18 hours.

CCSNM 2010 Annual Spring Meeting

Friday, March 26, 2010

Registration and Continental Breakfast in the Exhibit Area 7:30 - 8:15 am
 Welcome and Opening Remarks 8:15 - 8:30 am

James Quinn Memorial Lecture: 8:30 - 9:15 am

SPECT/CT: Is It All Your "ExSPECTed"?

Gary L. Dillehay, MD, Northwestern University

Compliance in Nuclear Medicine 9:15 - 10:15 am

Lyn M. Mehlberg, BS, CNMT, FSNMTS, Aurora BayCare Medical Center

Refreshment Break in the Exhibit Area 10:15 - 10:45 am

An Overview of Preclinical Molecular Imaging as a Complement to Translational Research 10:45 - 11:30 am

David Coates, ARRT(N), CNMT, In Vivo HealthCare

Proffered Papers I 11:30 am - 12:30 pm

Lunch on your Own 12:30 - 1:30 pm

Intraoperative Imaging of Radioisotopes 1:30 - 2:30 pm

John Nathan Aarsvold, PhD, Emory University

Proffered Papers II 2:30 - 3:45 pm

Refreshment Break in the Exhibit Area 3:45 - 4:15 pm

Internal Radiation Therapy 4:15 - 5:00 pm

Michael J. Hall, MD, Radiology, Inc.

Networking Reception 5:00 - 6:00 pm

Student Dinner, sponsored by Medical Physics Consultants 6:00 - 7:30 pm

Saturday, March 27, 2010

Registration and Continental Breakfast in the Exhibit Area 7:30 - 8:00 am

Pet/MRI in Use 8:00 - 9:00 am

John Nathan Aarsvold, PhD, Emory University

Cardiac 3D, 4D, 5D Imaging 9:00 - 9:45 am

Jovan Brankov, PhD, Illinois Institute of Technology

Refreshment Break in the Exhibit Area 9:45 - 10:15 am

Panel: How to Survive with a Tc-99m Shortage 10:15 - 11:00 am

Stan Miller, RPh, BCNP, Cardinal Health

Radiological Incidents Throughout the World 11:00 - 11:45 am

Cybil J. Nielsen, MBA, CNMT, Jefferson Community & Technical College

Business Luncheon 11:45 am - 1:15 pm

SNM Update and ERF Presentation 12:00 - 12:30 pm

CCSNM Update 12:30 - 12:50 pm

Presentation of Proffered Paper Awards and Installation of 2010-2011 Officers 12:50 - 1:15 pm

PEM Positron Emission Mammography 1:30 - 2:15 pm

TBD

Radioiodine in Molecular Imaging and Therapy 2:15 - 3:00 pm

LisaAnn Trembath, MSM, CNMT, NCT, Celectar, Inc.

Refreshment Break in the Exhibit Area 3:00 - 3:30 pm

Radioimmunotherapy 3:30 - 4:15 pm

Tod Speer, MD, Aspirus System

Cardiac Stress Pharmaceuticals 4:15 - 5:15 pm

Kara Weatherman, PharmD, BCNP, Purdue University

Register Online Now at www.ccsnm.org!

Saturday, March 27, 2010

Saturday Student Breakout Session, in honor of D. Bruce Sodee, MD

D. Bruce Sodee, MD Lecture:

Topic TBD 9:00 - 9:45 am

Robert H. Wagner, MD, MSMIS, Loyola University Medical Center

The Battle of the Minds (College Student Quiz Bowl Competition) 9:45 - 11:45 am

hosted by James Ironside, Northwestern University

CCSNM Business Luncheon 11:45 am - 1:15 pm

The Battle of the Minds (College Student Quiz Bowl Competition) 1:30 - 2:30 pm

hosted by James Ironside, Northwestern University

Announcement of the Quiz Bowl Winner 2:30 - 2:45 pm

Refreshment Break in Exhibit Area 2:45 - 3:00 pm

Facing the Future (Jobs/Resumes/Interviews) - Student and Technologists Welcome 3:00 - 5:00 pm

James Timpe, M.S., RT (N)(MR), Advocate South Suburban Hospital

Ryan Harrell, CNMT, Summit Radiology

Sunday, March 28, 2010

Registration and Continental Breakfast 7:30 - 8:00 am

Respiratory Gating with Pet/CT 8:00 - 9:00 am

Patrick E. Wojtylak, (R), (N), CNMT, PET, Case Medical Center

PET-CT ACR Accreditation 9:00 - 10:00 am

Patrick Byrne, Medical Physics Consultants, Inc.

Refreshment Break 10:00 - 10:15 am

Contrast in SPECT-CT and PET-CT 10:15 - 11:15 am

Paul Shreve, MD, Advanced Radiology Services

Contrast Induced Nephropathy: Does Anyone Know What's Going On? 11:15 am - 12:15 pm

Kenneth Pierce, MD, Loyola University Medical Center

Wrap-Up and Closing Comments 12:15 - 12:30 pm

Did you know...

- Johnny Appleseed is buried in Fort Wayne.
- Fort Wayne was the site of the very first nighttime baseball game played under the lights.
- Fort Wayne is Indiana's 2nd largest city.
- The washing machine, baking powder, the calculator, the juke box, the television, the breathalyzer and the refrigerator were all invented in Fort Wayne.
- Stereo sound, the garbage disposal, magnetic wire, streetlights and the gas pump were first created and manufactured in Fort Wayne.
- The Central Chapter's spring meeting will be held in Fort Wayne in March, 2010.
